

2009 San Dimas PRCA Rodeo Hosts the First Annual

Ride for Life!

August 1, 2009 8am to 6pm
At LA Fairplex Equestrian Center

The Ride for Life is the equestrian's equivalent to the American Cancer Society's signature event, Relay for Life ©. Relay represents the hope that those lost to cancer will never be forgotten, that those who face cancer will be supported and that one day cancer will be eliminated. Why would we want to ride? One in three people will be diagnosed with cancer during their lifetime.

The funds raised at our Ride will help save lives by funding cutting-edge cancer research, early detection and prevention education, advocacy efforts and life-affirming patient services. It is because of you and your horses' involvement that we will be able to save lives, help those battling cancer and empower all to fight back against the disease.

The San Dimas Rodeo Ride for Life is Co-Sponsored by Los Angeles County Supervisor, Michael D, Antonovich, the City of San Dimas Relay for Life Committee, and the Los Angeles County Fairplex Equestrian Center. The Ride for Life is an opportunity for all equestrians in Los Angeles County and surrounding counties to participate in a fund-raising event to raise money to support cancer research, support services and education.

If you are a equestrian and would like to participate and form a Ride for Life Team email Robert Hardcastle at bob@sandimasrodeo.com . If you don't do horses but want to volunteer on the ground to help email Misty Reiss at mreiss64@yahoo.com include name, address, phone number & email address. More information to follow very soon.

We look forward to everyone's participation and assistance.
